Approved For Release 2004/07/29 : CIA-RDP58-00039A000300020040-4

Office Memorandum • UNITED STATES GOVERNMENT~~CONFIDENTIAL~~

TO : Chief, Plans and Policy Staff DATE: 13 April 1955

FROM : Acting Chief, Training Publications Branch

SUBJECT: Weekly Activity Report No. 15
6 - 13 April 1955I. SIGNIFICANT ITEMS

None.

25X1A

II. OTHER ITEMS

a. Resources for the OTR history have now become so abundant that compression and integration have become the major problems. By agreement with [redacted] Historical Staff, the delivery date has been postponed.

25X1A

b. Following a conference with C/PP/WE to supplement his written appraisal of "Guide to Staybehind Operations," a recommendation report was submitted to Chief, PPS on 11 April.

c. [redacted] Secretary of the IAC, reports that his investigations support the idea that the Collection manual should be disseminated on a limited basis outside CIA but that certain preliminary clearances are essential. He invited further consultation on the basis of material that has since been prepared, but action is deferred for consultation with Chief, PPS.

25X1A

d. A draft for DTR's reply to AD/CD on release of the Collection manual to USIA was delivered to Chief, PPS on 11 April.

25X1A

e. Having initiated a search for the source of the Collection manual, [redacted] of the ORR Support Staff arrived at TPB on 12 April to consult on his project of writing about the methodology of economic analysis. [redacted] Intelligence School, was told of the project as a possible source for an intelligence monograph.
